J. Bacteriol. 184:5479-5490(2002).
-I- FUNCTION: Has antioxidant activity. Could remove peroxides H(2)O(2) (By similarity).
-I- SIMILARITY: Belongs to the ahpC/TSA family. Tpx subfamily.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         TubercuList; Rv1932; -

     Pred. No. is the number of results predicted by chance to have a score greater than or equal to the score of the result being printed, and is derived by analysis of the total score distribution.

                                                                                                                                                                                                                                                                                                                                                                           d. No. is the number of results predicted by chance to have a
re greater than or equal to the score of the result being printed,
is derived by analysis of the total score distribution.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              protein search, using
